**Say: This is our Tupperware Flat-Out...one of the most flexible containers you'll ever find (do your Flat-Out demo now), then say...but this container also lets me tell you about something else, but I need some help from all of you. Does anyone have: (here are the things you ask for & collect in your Flat-Out container:**

\*a watch or calendar

\*photo of family/friends

\*Toy

\*Souvenir

\*Diamond ring

\*\$100 bill (If no \$100....ask for a \$10 bill since 10 of these = \$100)

\*Credit card

\*Car keys

\*Pink paper (or anything pink)

Your bowl is now full! (At this point Jennifer says "Ok...I want to thank all of you for being here, but I have to be going...!") They laugh, then she says, "actually, I want to now return these items to you.

(Here's what you say as you return them to each one)
