**FREQUENTLY ASKED QUESTIONS**

We will continue adding questions and answers to this document as needed. If you don't find your answer here, email us at [Events-USCA@tupperware.com](mailto:Events-USCA@tupperware.com).

**Q: How do I register?**

You will receive an email from [Events-usca@tupperware.com](mailto:Events-usca@tupperware.com) with the registration link on February 23, at 3:00 PM ET. The email will be sent to the email address you have registered with your MyOffice profile. A registration link will also be posted on the Sales Force Facebook Page at [Facebook.com/tupperwareusca](https://Facebook.com/tupperwareusca).

**Q: Can I use any email to log in or register?**

No, you must use the email address listed in your MyOffice.Tupperware.com profile.

**Q: What do I do if I do not receive an email registration invitation?**

You should check your spam/junk folder for the invitation. If you have a Gmail account, please check the Promotions tab of the Gmail app. If you use the link on the Salesforce Facebook Page, you must correctly input your 11-digit Tupperware ID and the email must be the one that is registered in your MyOffice Profile with Tupperware.

If you do not receive a registration email or are unable to access the event registration website, please email [Events-usca@tupperware.com](mailto:Events-usca@tupperware.com) with “Unable to Register” in the subject line. Be sure to include your name and Tupperware ID when requesting a new registration email or help to access the site.

**Q: How soon after becoming a new Consultant can I register for Jubilee?**

New Consultants will be added to the registration list each Wednesday. A registration invite email will be sent to new Consultants on Thursdays.

**Q: What should I do if my information in the registration site is incorrect?**

Please review and complete the registration form. If there is something that is incorrect, update your Tupperware profile at MyOffice.Tupperware.com and you may update the registration information. Changing only the registration information will not update your MyOffice profile.

**Q: What payment options are available to me?**

There are two options available to you; a full payment option where you pay for your registration in one payment OR a split payment option where you pay for your registration in three split payments. A split payment option is available when you register by April 15. Your final payment must be completed by June 16, or your registration will be canceled, and previous payment amounts will be refunded.

**Q: How does the split payment option work?**

You select this option during checkout. Your initial payment of \$110 locks in your registration spot. Your subsequent payments **will not** be automatically deducted from your card; you must go in and make your other payments no later than June 16, 2023.

**Q: What happens if I don't complete all payments before the deadline?**

Your registration must be paid in full by June 16, 2023, at 11:59 P.M. ET. If any payments are outstanding, your registration will be canceled and any payments that you previously made will be refunded back to the original form of payment.

**Q: What happens if I don't meet the qualification to attend Jubilee but have paid my registration?**

Those that don't meet the cumulative personal sales of \$1,500 between February 23–May 31, 2023 will have their registration canceled and all payments refunded back to the original form of payment.

**Q: What happens if I pay for the event registration but then wish to cancel?**

Registration is nonrefundable, but you may transfer your registration to another Sales Force Member who has also met registration qualifications before June 16, 2023. Please email [Events-usca@tupperware.com](mailto:Events-usca@tupperware.com) with your name, Tupperware ID, and the name and Tupperware ID of the person to which you wish to transfer your registration.

**Q: Who can I register to accompany me as my guest?**

A Spouse/significant other or immediate family member may be registered as a guest of a qualified registered Sales Force Members at the event, but another Sales Force Member cannot be a guest. The registration cost for a guest is the same as for a Sales Force Member, \$330. All guests must be 18 years or older to attend Jubilee.

**Q: If I am attending, what date should I travel?**

Event end & start times are **tentative** right now, but you could plan for a 1:00 PM ET start time on August 2, and on August 4, you could use a 3:00 PM ET end time. Again, these are **tentative** and subject to change. We suggest booking departure flights no earlier than 6:00 PM ET that Friday to allow for travel time to Orlando airport and possible TSA congestion.

**Q: Where can I find the agenda?**

The agenda will be published once it's finalized. It will be posted on TuppNOW-Knowledge Center in the Events folder and shared in MyWeek.

**Q: What does my registration fee include?**

The registration fee includes three meals and a Jubilee Product Pack with a minimum retail value of \$100 for each registered Sales Force member and registered guest.

**Q: Where will Jubilee be held?**

We are going to be at the Gaylord Palms Resort & Convention Center at 6000 West Osceola Parkway, Kissimmee, FL, 34746. **Q: What should I pack?**

August in Florida is quite warm with rain bursts each afternoon. We suggest dressing in lightweight fabrics when outdoors.

**Q: What is the dress code for Jubilee?**

During Jubilee, the dress code is business casual (no shorts or beach/pool wear). The air conditioning may get a little cool for some, so if you get cold easily, you may want to bring a light sweater. Your Recognition Award evening will be more formal. Themed events attire will be shared as we get closer to the event.

**Q: Will water be provided at events?**

To support Tupperware in our drive for sustainability, we encourage you to bring your reusable Tupperware® water bottle. We will not be offering single-use plastic water bottles during this event.

***Jubilee 2023 name badges provided to you in your registration pack will be required for onsite event access. You will not be allowed to have someone else check in for you nor pick up your event name badge for you.***
