

Aquananda™ Drinking Bottle

Aquananda™ (*noun*) ah•kwah•nahn•dah

From Latin *aqua* meaning “water” and Sanskrit *ananda* meaning “bliss; happiness”:
The feeling of joy and mindfulness from a pure water drinking experience.

Features & Benefits:

- **Crystal-clear borosilicate glass** gives the bottle a visually appealing premium feel. Glass material remains clear even after infusing with fruits, and does not stain or absorb food odors or flavors.
- **Soft-touch silicone sleeve** increases durability and creates a safe, comfortable “sip grip”.
- **Wide opening** provides easy filling and cleaning.
- **100% leakproof** stainless-steel cap with silicone gasket is engineered to provide a watertight closure, safe for on the go.
- **Capacity:** 18.5 oz./550 mL.
- **Dimensions:** Height 9.39”/238.70 mm. Diameter 2.64”/67.15 mm.

Use & Care:

- The bottle and sleeve can be safely cleaned in the dishwasher, or hand washed using warm, soapy water and a soft sponge or brush. Stainless steel lid is hand-wash only. Avoid using abrasive pads when cleaning. Dry with microfiber towel or air dry.
- Store bottle open without lid when not in use.
- Not suitable for use with carbonated beverages or carbonating devices.

Demonstration Ideas & Tips:

- Be visual and relatable in your product demonstration.
- Share ideas like, “Bring flavor and color to your drink by infusing citrus, berries, herbs, spices, and other fruits and vegetables to stay hydrated throughout the day in a tasty and healthy way!”
- Show how easy it is to fill and clean the bottle thanks to the wide opening rim. Add fruit pieces or ice cubes.
