CAKE TRUFFLES WITH HOMEMADE BUTTERCREAM

SERVES: 20
SERVING SIZE: 2 TRUFFLES
TOTAL TIME: 30 MINUTES

- » 1 prepared cake, flavor of choice
- » ¼ cup unsalted butter
- » 1½ cups powdered sugar, sifted
- » 2 tbsp. heavy cream
- » 1 tsp. extract of choice
- » 2 dark chocolate or vanilla melting wafers
- » ¼ cup mix-ins of choice such as sprinkles, cookies, etc. (optional)
- » Toppings of choice such as sprinkles, nuts, coconut flakes, etc.

1. Add butter to base of Whip 'N Mix Chef. Replace cover, move knob to Gear I, and turn handle to beat the butter for about 10 seconds. Add powdered sugar ½ cup at a time; when the handle becomes too difficult to turn on Gear I, switch to Gear II. Use spatula to push mixture from the sides of the base into the center as needed.
2. Attach funnel, then add heavy cream and extract. Turn handle until buttercream is smooth and fluffy.
3. Add cake in large chunks to base of SuperSonic™ Chopper* fitted with blade attachment, and pull cord until fine crumbs form. Transfer cake crumbs to medium bowl.
4. Add frosting and desired mix-ins, and mix until well combined. Use 1-tbsp. Small Portioning Scoop* to portion truffles and place on Silicone Baking Sheet with Rim. Freeze for 20 minutes.
5. Place melting wafers in 2-cup Micro Pitcher* and microwave on high power for 30 seconds at a time until fully melted, stirring between stops. Let chocolate cool slightly, then, one at a time, dip each truffle, quickly add topping, and place aside to set. Repeat with all cake truffles. Refrigerate in Snack-Stor® Large Container until ready to serve.
