Movie Popcorn

A POP of joy

Ingredients

- 2 tbsp. unsalted butter, softened
- •¼ tsp. salt
- Black pepper to taste
- ¼ cup popcorn kernels

Preparation

- 1. Combine the butter with salt and pepper. Set aside.
- 2. Place kernels inside popcorn maker, cover in open position and microwave at the recommended time. (If using for the first time, start with 3 minutes, then listen carefully to the popping until it slows down to about 2 seconds between pops and stop the microwave).
- 3. Keep cover in open position and immediately shake out the unpopped kernels
- 4. Add butter to hot popcorn, place cover in closed position and shake gently for about 30 seconds until butter is fully incorporated. Serve immediately.

- 2 tbsp. unsalted butter, softened
- 2 tbsp. granulated sugar
- 4 ½ tbsp. lightly salted peanuts, chopped
- •¼ cup popcorn kernels

Preparation

- 1. Combine butter with sugar and set aside.
- 2. Place kernels inside popcorn maker, cover in open position and microwave at the recommended time. (If using for the first time, start with 3 minutes, then listen carefully to the popping until it slows down to about 2 seconds between pops and stop the microwave).
- 3. Keep cover in open position and immediately shake out the unpopped kernels.
- 4. Add the butter mixture to hot popcorn, place cover in closed position and shake gently for about 20 seconds. Microwave for 15 seconds in closed position, shake and microwave again for 15 seconds.
- 5. Add chopped peanuts and shake one last time. Serve immediately.
