## STP—See The People—STP

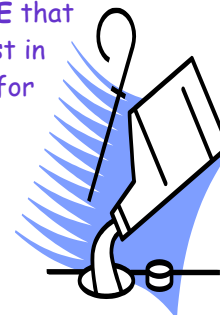

Is your datebook a little rusty? Then use STP to get it ready for smooth sailing this summer! Your challenge is to "friend find" in a neighborhood(s) and meet **NEW PEOPLE** that you do not already know. When you meet them and share with them the latest in Tupperware, you may Mark off that square. One person can only qualify you for one square, even if they fit in multiple categories!

When you have 5 in a row—you win!

When you do it twice—you win twice!

When you do it three time—you win three time!

The biggest winners of all—those that mark off ALL 25 squares!!
