

# GOAT Go out and Talk

The task is to GO OUT AND TALK to people about Tupperware!

1. Do you currently have a Tupperware consultant?
2. Have you ever attended a party, if so, how long ago?
3. Would you now or sometime in the future consider hosting a party?
4. Do you have any Tupperware needs I could help you with?

I've been challenged to GO OUT AND TALK to people about my Tupperware business. I have 4 quick questions, would you mind if I asked you. Thank you for your time. If I could get your name and phone number, you will be in the drawing for a \$50 surprise pack of FREE TUPPERWARE.

Talk to: someone playing outside with kids, someone walking a dog, someone at a park, someone in a parking lot, a neighbor of yours or someone where you are doing business.
