Sip n' sleigh

Your new sidekick is available just in time for the holiday season. Available in a festive green, perfect for your needs during those busy days, for everything in between and even for gifting! It features a straw for easy drinking and the high quality design offers a sleek, modern look.

Leakproof*

The flip-top locking cap ensures a secure seal when closed, with no spills or leaks, even on the move.

Hot & Cold

Intense insulation: the double-walled design doubles down on keeping your drink hot, cold or iced.

Straw or Spout

Narrow or wide, sip your way! The spout is perfect for warm drinks, and the straw is ideal for cool beverages.

*Tupperware® big T Tumbler is for use with beverages up to 167°F / 75°C with straw removed – at hotter temperatures, leaks and burn injuries can occur.
