Year End Summary Report

Year End Summary Details

The Expense Summary is provided to you as a courtesy, and lists your Retail Sales and Expenses for every order entered in My Office during the selected time frame.

Since the intended use of items purchased within a Consultant order are unknown, these orders have been separated from party totals for your convenience and consideration when determining your expenses.

Regular Product/ Sales specials: Displays your cost for Regular Items, Replacement Parts, Sales Specials and Purchase w/ Purchase Items.

Samples: Displays your cost for sample items.

Sales Aids: Displays your cost for Sales Aids and the Phone Order Processing Fee (for orders placed over the phone with customer Care).

Host Gifts : Displays your cost for Host Program items - including Half Off items, Host Bonuses, Overage, and Exclusive Host Products that have a copayment.

Shipping: Displays your shipping cost for Consultant orders and any other shipping fees charged only to the Consultant.

Retail Sales: Displays the total amount of Sales Credit received for each order.

					Consultant Cost				Consultant Shipping and Taxes		Total	
Date	Party/Non-Party	Party Number	Order Type	Order Number	Regular Products / Sales Specials	Samples	Sales Aids	Host Gifts	Shipping	Consultant Tax	Net Charges	Retail Sales

This shows your expenses, however it only shows retail sales keyed in your back office. Don't forget the profit on your personal sales shown in the above report from your PWS.
