Knife skills: Sharper than ever

There's never a dull moment in sight!

Shake up your kitchen routine with the right knife for the job. Where extraordinary sharpness meets precision, skill follows – now cut like a pro and finish it off like a chef!

Slice, dice, and everything nice!

You call the cuts – use them for everything from precision paring to effortless bread slicing and fine mincing. They are sharp, versatile, and ready to play!

Cutting-edge performance

Your knives should match your bold approach in the kitchen. Japanese stainless steel delivers lightweight quality for outstanding performance.

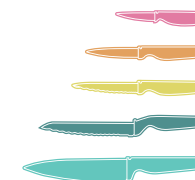

Keep it safe & sharp

Protect your fingers and preserve the blade – this knife sheath has it covered! Use it to keep your knife safely stored and in top form.

Did you know?

Chefs agree: using a sharp knife in the kitchen is safer than using a dull one. It glides through produce quickly and with control, reducing the chance of slipping.*

Stay flexible, work smarter

AVAILABLE
MARCH 13TH

Reaching for your trusty cutting board is second nature. But what if you could elevate your whole kitchen process? Meet the Flexible Cutting Board.

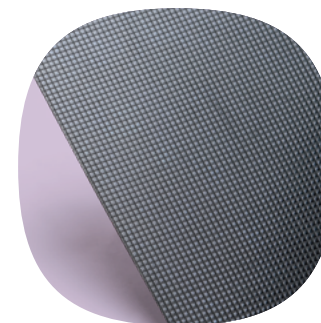

First rule in the kitchen: a measure of flexibility.

Second rule: write your own rules! Explore the extraordinary with a cutting board that can keep up. You don't just use it, you rely on it every day – don't settle for anything less than exceptional.

Flexibility added

Once you're done cutting, you can bend the Flexible Cutting Board into a funnel for easy pouring or tilt it to guide your chopped ingredients smoothly.

No skidding!

Go wild in the kitchen while your Flexible Cutting Board stays put. The non-slip underside grips tight while you show off your skills – give it a try!

A lot in store

Slim, sleek, and easy to put away – this Flexible Cutting Board fits into even the tightest spaces. It's big on function, small on storage!

Did you know?

Cleaning your cutting board properly is important for hygienic use. Make sure to handwash your cutting board after each use with hot water and soap.*
